Re: Freedom of Information Act Request

Dear Freedom of Information Officer:

This is a request under the Freedom of Information Act regarding Heritage Thermal Services ("HTS"), located at 1250 St. George St., East Liverpool, Ohio 43920, Facility ID No. 110027242320. On behalf of Save Our County, Inc., I am requesting copies of all records described below related to the facility's air emissions and its Title V Air Pollution Control Permit, state Permit No. P0108372, that are dated between July 1, 2011 and the date of this request. I have already conducted a search of EPA's applicable online databases for the records listed below; however, most of the below records are unavailable on said databases. Accordingly, on behalf of Save Our County, Inc., I request that a copy of the records containing the following information, **between July 1, 2011 and the date of this request**, be provided to me:

- Records and reports submitted to the EPA pursuant to the Title V permit, including quarterly written reports of deviations from emissions limitations, operational restrictions, and control device operating parameter limitations.
- Reports or records documenting all inspections conducted by EPA staff at the HTS facility.

- All information requests made by the EPA to HTS and the information submitted in response thereto related to their Title V permit.
- All information requests made by the EPA to the Ohio EPA related to HTS and its Title V permit and/or air emissions, and the information submitted in response thereto.
- Annual reports required by the Title V permit in EPA's possession.
- Annual emissions testing reports and calculations.
- All performance testing related the facility's emissions and the Title V permit.
- Maintenance and malfunction reports.
- Records documenting all testing performed at all emissions units at the facility including the results of such testing.
- Daily inspection logs for emissions units at the facility.
- Records of visible emissions observed.
- Records of all testing or sampling for pollutants pursuant to the Title V permit.
- Notices of Violations.
- Self reported emissions violations.
- Enforcement Orders.
- Any other documents in Ohio EPA's possession regarding the compliance history of HTS related to its Title V permit, No. P0108372 between July 1, 2011 and the date of this request.

In addition, please provide all emails, communications, or records of communications between the EPA and HTS regarding their Title V permit, their air emissions, findings of violation and notices of violation between July 1, 2011 and the date of this request. Please also provide all emails, communications, or records of communications between the EPA and the Ohio EPA regarding HTS's Title V permit, their air emissions, findings of violation, and notices of violations between the same dates.

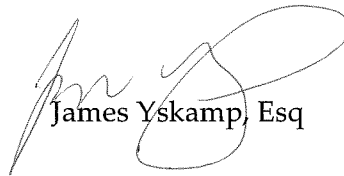

I would like to receive copies of the records requested above in electronic format via electronic mail to the following email address: jyskamp@fairshake-els.org or on disk mailed to the Akron address listed below. If any of the above records are unavailable in electronic format, please send copies on paper and send the double-sided paper copies to James Yskamp, Fair Shake Environmental Legal Services, 159 S. Main Street, Suite 1030, Akron, Ohio 44308.

Save Our County, Inc. is a nonprofit organization that represents the health and wellbeing of citizens in the East Liverpool community. The production of said records is also likely to significantly contribute to the public welfare, especially the health and wellbeing of the

community surrounding Heritage Thermal Services. In addition, furnishing the information will significantly assist the community in understanding how HTS's hazardous waste facility is regulated. Save Our County has qualified for this fee waiver before, and they respectfully request the fee waiver for this request.

Thank you for your consideration of this request.

Respectfully Submitted,

James Yskamp, Esq
